Pennsylvania and New Jersey REALTORS® Tour Salem County

Salem NJ - Four REALTORS® from the Pennsylvania and New Jersey offices of Legend Properties, Inc. toured Salem County Wednesday, July 30th, for business development purposes. Their current business includes leasing retail space at the newly renovated Five Star Plaza in Salem, 3.6 acres of land across from the Wal-Mart in Pennsville, and their newest listing of 6,200 square feet of office space in the John B. Campbell Family & Fitness Center as the TriCounty Community Action Agency prepares to move into its new facility on New Market Street.

Joe Scarpa, a resident of Pennsville and an agent of Legend Properties, Inc., Mount Laurel office, organized the tour. Joe says, "The time is right to bring in additional brokers; the opportunity in Salem County merits a regional team approach. The County is hopping and it's very exciting." The brokers/agents toured the I-295 corridor from Exit 7, Salem County's Industrial Gateway Park and Spitfire Aerodrome; Exit 4, particularly the Penns Grove Riverwalk site and DRBA's Salem County Business Centre; and the Route 130 corridor including Carneys Point and Pennsville.

The brokers drove Route 49 and Grieves Parkway--making strategic stops--and enjoyed a walking tour of Salem City starting with Five Star Plaza and ending with lunch at the Brigadoon with Main Street Salem's Executive Director Chris Davenport. Dave DePetris, a Legend Properties partner with the group, stated: "I am delighted to be back in Salem County. Over the years, we have done business in Salem County, including most recently, the Save A Lot in Pennsville. The public/private partnership is evident with the outstanding Main Street program here and we are excited to be here locally to help make things happen in the Downtown area."

Joe stated: "Programs like Main Street Salem help catalyze community involvement which is so essential to economic redevelopment. My local involvement and ability to be anywhere in the planned western growth area of our county in 10 minutes is additional value added."

The other touring agents were Doug Stewart and Bernard Doogue of Legend's Mount Laurel office.
